

FactoryAlloc

```
classDiagram
    class FactoryAlloc
    class InstanceManager["Ogre::InstanceManager"]
    InstanceManager --|> FactoryAlloc
```

The diagram shows two class boxes. The top box is labeled 'FactoryAlloc' and has a white background with a black border. The bottom box is labeled 'Ogre::InstanceManager' and has a gray background with a black border. A blue arrow points from the top center of the 'Ogre::InstanceManager' box to the bottom center of the 'FactoryAlloc' box, indicating that 'Ogre::InstanceManager' inherits from 'FactoryAlloc'.
